

## BRIEF SUMMARY

"Hello, I'm Kartik Bhoite, currently in my third year of pursuing a Bachelor's in Business Administration (IB). Over the past years, I've developed a strong foundation in business principles, with a special interest in trading, marketing and investment (finance). Through my academic projects and internships, I've gained hands-on experience in management, finance, marketing, and I'm always eager to learn and grow. I believe my adaptability and enthusiasm for teamwork make me a good fit for dynamic roles. I'm excited about the opportunity to bring fresh ideas to highly reputed company while learning from experienced professionals."
