April 2017 to Current

GlobalTech India Pvt Ltd. – Ahmedabad, Gujarat

- Responsible for Sourcing and Purchasing of Electronics Components.
- Inventory Management

Sr. Design and Planning Engineer

May 2013 to April 2017

GlobalTech India Pvt Ltd. – Ahmedabad, Gujarat

- Purchasing and production management.
- PCB Testing and verification.
- Guiding for assembling PCB.
- Coding, Hardware testing and analyzing field problems.

Design Engineer

April 2012 to April 2013

GlobalTech India Pvt Ltd. – Ahmedabad, Gujarat

Project :- Vehicle Tracking System (VTS)

Abstract:	Position of the vehicle located using the GPS module and GPS Data along with digital inputs and analog sensor data send to the server application using GSM Modem. Project also includes OBD scan tool to get the status of the vehicle like as Engine RPM, Fuel level, Engine Temperature.
-----------	---

Interfacing:	GSM modem (SIM900A), GPS Module (SR 96), and EEPROM.
--------------	--

Project :- Cell Tower Management System (CTMS)

Abstract:	Online data acquisition of parameters like temperature, fuel level, energy consumption, DC power consumption temperature intelligence according to the performance of the system. Project also includes a triac based switching of 3-phase line using contactor, temperature sensor (LM 35) positive and negative temperature sense, 230v supply sense.
-----------	---

Interfacing:	GSM modem (SIM900A), capacitive fuel sensor, AC energy meter, EEPROM. Communicate using RS-485 standard & Modbus protocol ,SPI.
--------------	---

TECHNICAL SKILLS

Operating Systems : Windows XP, Windows 7, 8, 10

Tools : MS word, Excel, Outlook, G-Suite

ERP/CRM : MS Dynamics CRM, OpenERP

EDUCATION

Bachelor of Engineering in Electronics & Communication Engineering **2008-2012**

From S.P.B.Patel Engineering College Gujarat Technological University, Ahmedabad with 8.32 CGPA

Personal Details

Date of Birth: 20 May 1991

Marital status: Married

Languages: English, Hindi, Gujarati

Interests: Reading, travelling, yoga & gyming, day dreaming.
