Senior Secondary (XII), Maharashtra State Board Of Secondary And Higher Secondary Education Science Bhavna Trust's Junior & Degree College Of Commerce & Science Percentage: 55.00%	2023
Secondary (X), Maharashtra State Board Of Secondary And Higher Secondary Education Lokmanya Tilak High School Percentage: 62.00%	2021

PROJECTS

Recipe App

Aug 2024 - Oct 2024

Web-Based Recipe Management System

- Developed a dynamic recipe web application using React.js for the frontend and PHP/MySQL for user authentication
- Integrated an external API to fetch and display recipes, allowing users to search, view, and save their favorite recipes
- Implemented secure login/signup functionality using XAMPP, ensuring data persistence in a MySQL database
- Focused on responsive UI design and state management in React.js, enhancing user experience and interactivity

Key Skills: React.js, JavaScript, API Integration, PHP, MySQL, XAMPP, Frontend Development, User Authentication, Responsive Web Design

Coffee Web App

Dec 2023 - Feb 2024

Open Source

- Developed and launched a dynamic and user-friendly Coffee Web App, enhancing user engagement and improving transaction efficiency
- Designed and implemented dynamic web applications utilizing HTML, CSS, JavaScript, PHP, and MySQL
- Frontend: Designed an intuitive UI using HTML, CSS, and JavaScript, ensuring a seamless user experience.
- Backend: implemented secure login and signup functionality with PHP and MySQL enabling user authentication and data management
- Database: Structured MySQL database to efficiently store and manage user credentials and coffee product details,
- Performance Optimization: Leveraged Node.js for backend improvements, increasing data processing speed by 40%
- Secure Transactions: Integrated a payment gateway, boosting efficiency and reducing errors by 20%
- Team Collaboration: Worked with cross-functional teams to ensure smooth app functionality

SKILLS

- Web development
 - Leadership
 - Python
 - C Programming
 - MySQL
 - R Programming
 - WordPress
 - MS-PowerPoint
- Software Development Life Cycle (SDLC)
 - Data Analysis
 - React
 - Tailwind CSS
 - SQL
 - Java
 - Tally
 - MS-Excel
- Web Design
 - JavaScript
 - C++ Programming
 - Document Management
 - TypeScript
 - Bootstrap
 - HTML/CSS
 - MS-Office

EXTRA CURRICULAR ACTIVITIES

- Tech & Sports Event Coordination - Successfully organized inter-college tech and sports events with 50+ participants. - Developed sponsor outreach strategies, leading to successful brand partnerships. - Managed on-ground operations, ensuring seamless execution and audience satisfaction
